Additional upgrade policies

- **Tiered upgrade policy** Adobe's tiered upgrade policy offers customers who upgrade every release a lower upgrade price relative to customers who upgrade less frequently. This means that customers upgrading to Creative Suite 5 from Creative Suite 4 will pay a lower upgrade price compared to customers upgrading to Creative Suite 5 from an earlier version of Creative Suite.

Note: The tiered upgrade policy applies only to editions of Adobe Creative Suite and not to upgrades to individual products, such as Adobe After Effects, Flash Professional, InDesign, Illustrator, Photoshop, and so on. Customers can upgrade to the CS5 version of individual products from up to 3 versions back. The only exception is Adobe Premiere Pro CS5 which you can upgrade to from any previous version of Adobe Premiere software.

- **Upgrade from one edition of CS5 to another edition of CS5** Customers who purchase or upgrade to an edition of Adobe Creative Suite 5 can move to another edition of Creative Suite 5 at any time for the same price as someone upgrading to Creative Suite 5 from Creative Suite 4. For example, someone who purchased Adobe CS5 Design Standard can later decide to move to Adobe CS5 Design Premium for the same price as someone upgrading to Adobe CS5 Design Premium from any version of Adobe Creative Suite 4.

In addition, customers who upgraded to Adobe Photoshop CS5 can move to Adobe Photoshop CS5 Extended. And customers with CS5 versions of individual products can move to an eligible version of Adobe Creative Suite 5. For pricing information, customers should refer to the pricing table to find the upgrades they are eligible for. Volume licensing customers should contact their Adobe Licensing Center.

- **Special note for customers upgrading to Creative Suite 5 from an Adobe Bundle** Customers who purchased an Adobe Web Bundle (Adobe Creative Suite 2 Premium and Macromedia Studio 8), Adobe Design Bundle (Adobe Creative Suite 2 Premium and Macromedia Flash Professional 8), or Adobe Video Bundle (Adobe Production Studio Premium and Macromedia Flash Professional 8) are eligible for the same upgrade pricing as customers upgrading to Adobe Creative Suite 5 from Adobe Creative Suite 3 or earlier. For pricing information, customers should refer to the pricing table to find the upgrades they are eligible for.
